Julie call — Mid atlantic Country Magazine tele # ?

* ACO PR. shots

* Henry Miller : call Wed for Mon

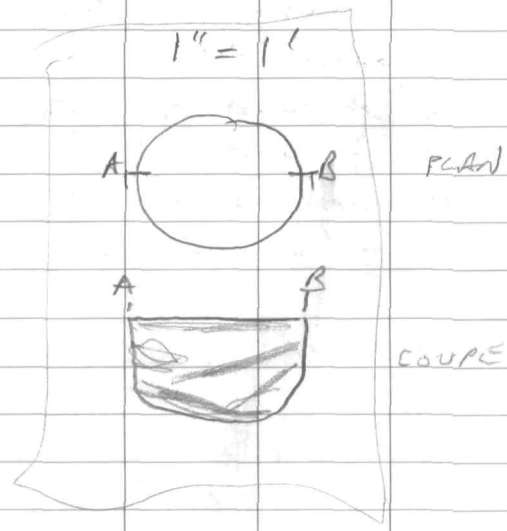
— Julie visit Tues :
· cherrypicker ←
· tele mag

— ~~Carl~~ + ~~Mike~~ + ~~Terry~~ re: crew calls not there
ACO JKs van attendant

→

✓cotton string

✓nails



TUES. 8/9/88

- van inoperative - belts melted
  conveyed over to site

- flat shovelled + ex. feature

grave considerations:

1. cut by historic post hole
2. no historic artifacts in grave fill (1 flake)
3. different axis from historic features
4. bad bone preservation here vs. found elsewhere

FEATURE	
1	grave
2	circular storage pit
3	refuse pit
4	cooking pit
5	refuse pit – backfilled tree hole?
6	refuse pit

Calvert County Commissioners
John Bailey
Julie King / Mike Smolek
4 local residents
newspaper rep.

3 flags delineated

BEAD
Fea 17, LEVEL 1

ACT SIZE

- lots of daub Fea 7
- early pipe bowl

Fea 7 appears to be earliest pit (daub/earliest pipe bowl)

EDWARD BIRD 1636 — 1665
went to Holland + made pipes

EB pipes from fea 8

Henry has found them at Popes Fort (1645 — 50)

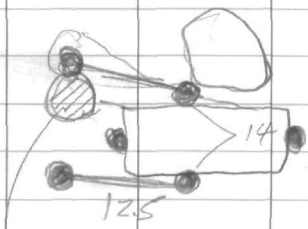
Fea 11 level 2 prunt
addit evid of intensive Dutch trade w Ald + Van
(along w EB pipes)

WED 8/17

Henry Miller
Silas Hurry
Katie
Peggy
Tim Riordian
Steve Allen - Newbold White

Silas found photographable (red) dark
in his feat (11?)
... check also Stephan pit

Check material in lower levels
= mortar? of Brian pits



~~straight~~ vertical sides = under bldg?

THURS 8/18

post poles
1 ~~pits~~ on S. side site contain
ash in molds in vic Stephen's
pit (feat ___) ... came from ash in tps
evidently from pits nearby
— one ph cuts early
pit — (Rob's early pipe bowl)
mold has ash in it
